

VICTORY

Smooth, Spirited, Passionate.....Jenny!

Discovering the soulful and uplifting vocal stylings of Jenny is like uncovering a beautiful gemstone! Jenny began developing her vocal talent as a child in the choir at her grandfather's storefront church in Dayton, Ohio. She continued to lend her vocal skills for projects with school choirs, singing groups, talent shows, commercials, weddings, pageants and many other venues. Along the way, she collaborated with numerous talents, including **BILLIE BECK**, **BOBBY CARTWRIGHT**, **JUNIE MORRISON** and **SUGAR** (founding members of the **OHIO PLAYERS**), **MELBA MOORE** and **DARIAN HAREWOOD**.

But her passion has always been singing 'Gospel' music. She says, "There's no greater feeling than to use your voice to sing the praises of God. To use melodic vocals to cause the heavy burdens to be lifted, break the chains of bondage, and set the captive spirit free." It is her desire that through every song she sings, someone will be blessed! Songs like **"IT'S ALL ABOUT JESUS"**, **"VICTORY"**, **"JESUS IS COMING BACK"** and the hymn **"SOFTLY AND TENDERLY JESUS IS CALLING"** will surely prepare your hearts and minds for sincere praise and worship.
